Telecon -

I called [redacted] STAT on 30 September regarding NSA's failure to forward draft texts for [redacted] STAT participants to the original format. He indicated that he was not aware that the change had been requested and had not been apprised. [redacted] STAT indicated that he would look into the matter. I also suggested that we get together sometime before Christmas to discuss where we were in administering the Trust for [redacted] STAT and see about preparing a formal MOU on the subject

[redacted] STAT called back on 1 October and said that he was not sure as to what we would need (1 or 2 October would be in proper format I thanked him for the efforts. We did not discuss a future meeting on Trust administration for [redacted] STAT
